This week, our teachers will be spending some time out of class working through data snapshots and looking at and reviewing individual student progress. It is an opportunity to reflect on the continuous efforts of all teachers striving to make sure that all students are given multiple opportunities to succeed in their learning. The Intervention team of Mrs Hill, Mrs Knight and Mrs Warren will continue to target specific areas of Literacy and Numeracy for learners. Over the past two terms we have seen that success and confidence of students has grown. It is very rewarding to see our students working towards maximising their learning opportunities. We continue to work towards improving learning outcomes for all students and we thank our parents that have been supporting to ensure that students are at school on time and ready learn.

Our students are continuing to work towards their target of Gold or Silver Awards at the end of this term. It is important that all students continue to strive towards our: ‘Be Safe, Be Respectful, Be Responsible’. To assist all students to continue to improve and demonstrate consistently good choices the in class behaviour chart that is reviewed every two weeks is broken down to ensure that all students are aware of the high expectations for all students across the whole school.

Thank you to the Jackson family who helped with removing some of the old equipment and rubbish from our school grounds. Thank you to Carly Close who did the gardening around the Prep building helping to clean this area. Thank you to Sandy, Sherie and Vanessa who helped with the 5/6/7 State of Origin Fundraising lunch on last Wednesday.
