Welcome back after the long weekend refreshed for the last three weeks of the term. It is important that we continue with our focus of high attendance for all students. We are seeing the effects in student learning when there is an increase in absenteeism. Thank you to all parents that are notifying the school when their child is away either with a phone call or note allowing us to update our records.

Just a quick reminder of arrangements for before school, all students are to be in the undercover area seated and waiting with their bags for the 8.30am bell. After the bell students are expected to move to put their bags on the bag racks and lunches in the fridges. After this students are able to play handball, play on netball courts or sit and wait for the start of the day at 9 am.

Gold and Silver awards are fast approaching and students are reviewing and reflecting on their achievement on the awards charts. It is pleasing to see so many students responding positively to the fortnightly review of the chart to ensure that they are on track with good choices.

At the end of this term each student will be getting their individual report cards which is a time to reflect on what progress they have made this year and also identify areas that they need to continue to work towards for improvement.

Thank you to our P&C for the donation $5000 and also to the Progress Association for their donation of $5000 which allows our school to purchase 100 more XO computers. Our P & C has also donated $550 towards supporting our school with transport costs.

Congratulations

Mikayla, Elaina and Kayla represented our school at the recent Capricornia Football Trials in Moranbah. From these trials Kayla has been selected into the 12 Years Girls Football Team to compete in the upcoming Football State Titles in Mount Isa at the beginning of Term 3.

TUCKSHOP  
As we have a number of students in our school with food allergies we are asking any parents or students to suggest some meal items that are suitable so all students may participate in Tuckshop day. Please advise Adrienne, Deanna or write a note to P&C Tuckshop Co-ordinator.

P and C  
PIES, PIES, PIES!!!! All pies are arriving at school THIS THURSDAY (12th June) and are available for collection from the tuck shop from 2:30pm. Unfortunately we do not have space to store them, so you MUST collect that day. If there is anyone that can assist with sorting from 1:30pm, please let us know ASAP (the more people we get, the less chaotic it will be). We have over 500 pies to sort, so we really do need assistance. We will also need some plastic shopping bags dropped in to Mrs New for the orders.
