Last week we had a number of exciting celebrations and events happening. First we had Healthy Harold work with all classes and the excellent behaviour and engagement in the program was commented on by Liz Hills. Also this week we also received our new outdoor shade tents that we were able to purchase with the support of our P&C applying for a Sun Safe Grant to support in the cost. This week all classroom teachers have received their XO computers and are now able to start their training ready for when the next round of 100 XO computers arrive. Thank you once again for the wonderful support of the Progress Association, P&C and Community members that are continuing to support and provide the best opportunities for our students at Bouldercombe State School and changing futures.

Romp in the park, thank you to all the parents that were able to come along and support and be involved in the day with our P-2 students. Congratulations to all students that showed great manners and represented our school with pride.

Our students are continuing to work towards their individual learning goals and are to be congratulated on their willingness to engage in all activities to the best of their abilities. We are past the half-way point of the term and at the end of the term all students will be receiving their own individual report cards.

Every student is continuing towards our end of semester Gold and Silver Award Parade. Please remind students that every two weeks with their teachers they will review their current progress towards achieving an award. That is the time for them to be clear about what areas they need to work on or celebrate their excellent efforts if they are achieving good feedback across all areas.

This week I will be away attending the Regional Principal Conference. This meeting is focused on continuing to move our schools to be the best they can be to ensure our students are given the best opportunities to achieve their educational goals.

Cross Country   Last week we also had students travel to Kalka Shades to represent our school at the Rockhampton District Cross Country trials. Congratulations to the following students for an excellent effort representing our school. John, Trey, Steven, Elaina, Daniel, Kayla, Preston, Emily and Cordelia.
