Thank you to all our families that continue to strive with increasing the attendance of all students but also are letting the office know with a phone call or a note as soon as possible for reasons why a student is away.

General reminder to all families next week is a short week with public holiday Monday and Show holiday on Thursday it is key for all students to continue to keep up their high attendance especially during a week with holidays and there are only 18 school days left everyday counts before the holidays.

It has been a busy start to the year with the new introduction and trial of weekly guitar lessons, CQ sporting lessons, Science demonstration, Deadly Arthur, formal Friday afternoon sport competition between teams and lunchtime first of Lego Club with Chappy Kev. Each year we continue to look towards the increase of opportunities for students and our community. It is a good time to acknowledge that our P&C continues to support and look to expanding our students’ opportunities at any chance possible. The key is that all the above opportunities are provided for families at no cost as the school and P&C continue to work together and limit money costs to all our families. This is also happening due to kind donations of our community, families and anyone who has given time to make our school the best it can be.

This week we will see the final stages of the air conditioning work completed for all our buildings thank you to everyone for your patience with the changes to the normal routine.

This week our choir will be competing at the Rockhampton Eisteddfod over two days, we wish them best of luck in the categories that they have nominated for. Choir families please remember the bus is departing the school at 8am each day.

Friday Sport Please return all Friday Sports Shirts for stocktake before our next round of Friday Sport begins.

Project Club Guess the Lego in the Jar As a part of Chappy Week, Chappy Kev has some fantastic Lego Prizes to win. All you need to do is guess how many lego are in the jar. 50 cents a guess, the jar will be in the undercover area each afternoon this week. Pie Face Want to test your skill?
