We only have 19 days left of this term and already our students have so much to be proud of what they have already achieved in such a short time. We continue to appreciate the support of parents that are ensuring that our students are learning to the best of their abilities by following up with homework and checking in with classroom teachers and looking at the behaviour chart to ensure we are all working together to reach the same goal.

Our whole school focus of targeting our understanding in numeracy of 3D shapes and 2D shapes has seen students working in small groups, one on one and using computers to continue to build our numeracy abilities. It is very pleasing to see so many students excited about being challenged in their learning but the excitement of students being confident and successful at their new found knowledge is powerful in ensuring all students are working to the best of their abilities.

Week 8 we will be having Parent Interviews. This Wednesday every student will be receiving a note where you are asked to nominate an interview time. This is an opportunity to share how your child has transitioned the start of the year and also identify together areas and goals to work towards by the end of Semester 1. As always we encourage that you don’t need to wait until interview time to discuss with your teacher the progress of your child.

Last week our whole school was involved in the “Let’s Stamp out Bullying” performance, this program was paid for by the school for all students to attend. All students were very excited with the program and was the talk for the rest of the day. As a school we continue to look for opportunities to continue to build our students learning opportunities.

Our teaching staff were also involved in training CQ3S program and Early Start programs to continue our learning and development of data to help inform our teaching to ensure that all students learn to the best of their abilities.

Thank you to Keith, Steve and Dean that have been working on keeping our grounds looking beautiful in the last week. Continual support from our P&C families make our school the best it can be and is truly appreciated.

Thankyou to Chantal for donating Zooper Doopers to the school so that the Project Club can raise funds for our Whole School Camp Programs.

**Book Club**  Welcome to 2016 Book club. Thankyou to those who purchased out of Issue 1. For those new parents when you purchase book club you are in fact supporting our school as we earn reward dollars which we then are able to purchase resources for the school. Issue 2 went out last week and is due back with money by Wednesday 9th March 2016.

**Raffle**  Maroon State of Origin Jersey. $1 per ticket from the school office. Tickets are now on sale from the school office. The Jersey is hanging in the school office window if you would like to have a look at the attire you may be wearing for Origin this year.

**P&C**  A big thank you to Raelene for her continued support of our P&C Raffles. Each fortnight Raelene offers help in whatever way she can to ensure our raffles run smoothly. Friday 19 February she ran our raffle night completely on her own. Raelene does not have any ties to our wonderful school or P&C other than being a very supportive community member. Thankyou also to Bobby and Dan for allowing us to continue our raffles held at Royal Hotel Bouldercombe every second Friday and also to those that are supporting by buying tickets. It is greatly appreciated.
Piano/Keyboard lessons are available during school times on a rotational roster. Please contact Lynette Anstey on 49333661, 0419358485, anstey.family@bigpond.com for further information.

BOULDERCOMBE STATE SCHOOL|  Strive to Achieve
FETE UPDATE

As you can see we have had some overwhelming support for our school fete from these amazing sponsors. Please take the opportunity to let these supporters know how truly grateful we are by spreading the word about their business and obviously if you need any of the services that they offer, be sure to give them a call first.

Raffle Tickets for our multi-draw raffle are coming home today which are $1 per ticket. It is extremely important to remember that all tickets MUST be returned to the school, even if they are not sold. The raffle will be drawn at the school fete on the 20th March. Can you please ensure that there is a name and phone number on EVERY TICKET that is sold. All tickets are due back to the office by Monday 14th March, which gives you only 2 weeks to sell as many as you can. We have some delightful prizes in our multi-draw raffle including massage and beauty vouchers, petrol vouchers, Easter baskets, movie tickets, and lots more!

We are still in need of more donations for our class stalls including bite-size chocolates, 1.25 L bottles of soft drink, bottles/jars filled with miscellaneous items and coloured hairspray; or a cash donation instead.

Ride tickets are available at the office now for $25 each which entitles you to 4 hours of unlimited rides. We have decided to allow one more week in our competition due to what seems like everyone’s pay day falling this week so want to allow everyone the opportunity to be a part of the competition. Purchase your ticket by FRIDAY 4TH FEBRUARY at 3:30pm and you could win an unlimited ride pass (or your money back). Another way to win a ride pass is to like and share our Fete Facebook page. Please see the page for further details.

https://www.facebook.com/bouldyfamilyfunday/

To wrap things up, please don’t forget:

- Buy your ride passes by Friday to be a part of the competition ($25 from the office)
- Sell your raffle tickets within 2 weeks!!!
- Donate items towards class stalls
- Like our Facebook page & share with friends

Thank you,

Danielle New
