Week 8 and only 9 days left in Term 1 and we continue to celebrate the improvement in our students focus in class and the positive choices made outside the classroom in the playground. Congratulations to our 5/6 class with attendance of 95.99% which has them at the top of the table for the final week pizza party as a reward for the class that ends the term with the highest attendance rate.

Thank you to all our parents that have taken up the opportunity to have a Parent Interview this week. The support with not only classroom achievements but also the involvement across the whole school opportunities only happens with the regular support of our parents and volunteers.

We continue to run our whole school camp program and as part of this we have continued to strive to keep the costs to a minimum and this is through the assistance of our P&C, Project Club and the School who make this happen. Students in 3/4 and 5/6 last week all received the first of our camp information notes for 2016.

As the exciting School Fete happens this weekend it is important that we thank all the wonderful volunteers that have over the past months been making it happen for our school but also the Bouldercombe Community. Also it has been fantastic to see the donations and sponsorship coming in to support our school Fete.

This week students will continue with lunchtime trials for age groups for events on the upcoming athletic days. Just a quick reminder only students 10 years and older are able to qualify to compete at the next level of representation and students are also required to meet qualifying times and distances. In term 2 there will be training sessions offered for those students that qualify for the next level of competitions.

As we near the end of the term it is a good time to also check in if your child needs any other supplies for the upcoming term.

This week all students will be receiving their School Student Resource Invoice for the year of $40 per student. Thank you to the families that have already paid this and have notified the office.

Thank you also to Carly, Mick and Greg for keeping our school grounds looking beautiful.

Lost Property As usual towards the end of term we have quite a number of items in the lost property which can be found near the tuckshop. Please send your child/ren or drop in and have a look yourself to see if any of the items belong to your family. At the end of term any items not claimed will be thrown out or given to charity.

P&C This is the final week before the fete! Raffle tickets are due back TODAY. If you have not returned these please do so by tomorrow (sold or unsold). Thank you to all families for their kind donations for our stalls, we are now set and ready to go- we just need volunteers for each of the stalls. At this stage we have only had 5 parents volunteer their time on the day out of our 100 families. If you can help please let the office or Mrs New know urgently- you do get a choice in where you would like to help and the timeframe. WE NEED YOUR HELP!!!

$25 wristbands are only available until 3pm on Friday, after this the price goes up to $30, or you can pay $5 per ride on the day. These tickets are great value for money as it entitles each ticket holder to 4 hours of unlimited rides (please see the attached flyer for the list of rides. Please ask friends and family to come along and if possibly purchase their ride tickets for them. If you have purchased these tickets we will send the receipt home this week- please do not lose this as it needs to be presented at the ticket box on fete day.
