'Our School is a Family Affair'

Week 4 Term 1 12/02/2018

BE SAFE BE RESPECTFUL BE RESPONSIBLE

This week with the increase in temperature we will be having some modified lunch times to help keep students out of the heat. We encourage all students to ensure that they have their water bottles with them at school. Also it is a good time to also remind all our families that in the event of a storm occurring during the afternoon at 3 pm all students will remain at their classrooms to be picked up. We do appreciate your cooperation with us to ensure that all students are safe during a change in weather conditions.

We welcome Anne to our staffing team this week. Anne has taken on our cleaning position. We would like to thank Lillian for filling in during the last weeks of 2017 and the start of this year.

Our first tuckshop was a success with the next tuckshop day this Wednesday. Thank you to Adrienne and Deanna for continuing to volunteer their time. If anyone has some spare time and would like to help out on tuckshop days please contact Adrienne 0407 875 711.

Thank you to Lou and Carly that volunteered their time to finish cleaning our second tennis court it is looking brand new. Please don't forget anyone who is able to help out around the grounds please don't hesitate to contact Carly Close our grounds person.

Thank you to all our families that are following the correct processes in collecting children early (before 2.45pm) during the school day. All pickups are required to come to the office first and sign their child out at the same time the teacher will be notified to organise for the child to be ready to go.

It was lovely to see our families that were able to come along last week and join us for our welcome back BBQ. Thank you to all our staff who were able to come along and support the afternoon. Over the year we look forward to more opportunities for our families to come to the school and enjoy a BBQ together.

Congratulations to our students that are working to ensure that they are making the most of every day at school learning. We have already seen good improvement in the organisation of students and their book work to ensure that they are presenting their best efforts.

Coles Sports for Schools Commenced 7 February and runs for 8 weeks until 3 April. Bouldercombe State School is participating!! Please collect vouchers and pop into the box outside the school office.

No Breakfast Club this week.

School Performance Tours will be visiting Bouldercombe State School Friday 23 February to perform "Moz's Monster Music Mix" where along with Moz and his best mate Pricee students will explore all genres of music right back from the 16th century to present day. All students participating in the Student Resource Scheme (SRS) will be attending at no extra cost. Students not participating in Student Resource Scheme (SRS) will be invoiced accordingly and payment will be due by Thursday 22 February 18.

Expression of Interest for a piano accompanist to accompany our school choir at the upcoming Eisteddfod in May. You don't need to be a virtuoso, but just be able to read and play basic music. Willingness and availability to make it to a few rehearsals prior to performance would be a necessity. If this is you, we would LOVE to hear from you as soon as possible.

Birthdays: Happy Birthday to Tayha (12th) and Danika (14th) who celebrate their birthday this week.
